II.**APPLICATION**

1. On April 2, 2001, (the "Petition Date") each of the Debtors filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Bankruptcy Code (the "Chapter 11 Cases"). On April 2, 2001, the Court entered an order procedurally consolidating the Chapter 11 Cases for administrative purposes only. Since the Petition Date, the Debtors are continuing to operate their businesses and manage their properties and assets as debtors-in-possession pursuant to sections 1107(a) and 1108 of the United States Bankruptcy Code. The Plan has been confirmed and is now on appeal to the Third Circuit.

2. On May 3, 2001, the Court entered an Interim Compensation Order, as amended by the Amended Interim Compensation Order, establishing procedures for monthly compensation and reimbursement of expenses of professionals (each such application, a "Monthly Fee Application"), and whereby any notice party listed in the Amended Interim

Compensation Order may object to such Monthly Fee Application. If no notice party objects to professional's Monthly Fee Application within twenty (20) days after the date of service of the Monthly Fee Application, the applicable professional may submit to the Court a certification of no objection authorizing the interim compensation and reimbursement of eighty percent (80%) of the fees requested and one hundred percent (100%) of the expenses requested, subject to the filing and approval of the interim and final fee applications of the professional.

3. Furthermore, and also pursuant to the Amended Interim Compensation Order, within forty-five (45) days of the end of each quarter, professionals are required to file and serve, upon the notice parties, a quarterly request (a "Quarterly Fee Application") for interim Court approval and allowance of the Monthly Fee Applications filed during the quarter covered by that Quarterly Fee Application. If the Court grants the relief requested by the Quarterly Fee Application, the Debtors are authorized and directed to pay the professional 100% of the fees and expenses requested in the Monthly Fee Applications covered by that Quarterly Fee Application, less any amounts previously paid in connection with the Monthly Fee Applications. Any payment made pursuant to the Monthly Fee Applications or a Quarterly Fee Application is subject to final approval of all fees and expenses at a hearing on the professional's final fee application. This Court also entered an Order imposing an Administrative Bar Date of May 5, 2014, requiring that Final Fee Applications be filed by that date. Since the quarterly application for the period of January 1, 2014 to March 31, 2014 (the Effective Date was February 4, 2014) would otherwise not have been due until May 15, 2014, it is incorporated into this Final Fee Application.

4. By an October 20, 2008 order of this Court, later made *nunc pro tunc* as of September 22, 2008, the PD FCR was appointed by the Court (the “Appointment Order”). The Appointment Order authorizes the Debtors to compensate Judge Sanders at his hourly rate charged for services of this type and to be reimbursed for actual and necessary out-of-pocket expenses that he incurred, subject to application to this Court in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, all applicable local rules and orders of this Court.

5. This is the Final Fee Application of Judge Sanders, which is submitted in accordance with the Bar Date in the First Amended Plan of Reorganization and the Amended Interim Compensation Order, and also contains Judge Sanders’ Quarterly Fee Application for the 52nd Quarter covering the abbreviated quarterly period of January 1, 2014 through February 4, 2014.
